

Saskatchewan Safety Seminar

Online: February 1 - 14, 2021

Creating a Province of Safety Excellence

Event Price: \$PayWhatYouCan.00

WHAT IS THE SAFETY SEMINAR?

Since 1974, Saskatchewan's premier safety event ([Industrial Safety Seminar](#)) has brought together hundreds of safety professionals from across Saskatchewan to:

- Learn from, and participate in, educational sessions delivered by subject matter experts and thought leaders
- Find inspiration in keynote presentations
- Get informed on the latest safety-related products and services

For 2021, the event has been made very accessible for delegates who are being asked to **pay only what they can afford**.

Some topics include:

- Opioid Addiction
- Asbestos
- Communication
- Fatigue & Stress
- Logistics
- Creating Wellness
- Workplace Conflicts
- Safety Cultures
- Competency
- Safety Supervising

plus a myriad of more technical sessions.

Shattering ideas of what a safety seminar looks like.
